

Grade 4 Unit 12

- **BE SURE TO ANSWER AND LABEL ALL PARTS OF THE QUESTION.**
- **Show all your work (diagrams, tables, or computations) in your Student Answer Booklet.**
- **If you do the work in your head, explain in writing how you did the work.**

The picture below shows four fractions and a number line. Wilson's homework is to place a point on the number line for the location of each of the fractions.

- A. Copy the number line with the fractions placed correctly into your Student Answer Booklet.
- B. Write one equivalent fraction for **each** fraction listed. Explain how you know the fraction is equivalent. Pictures are acceptable.
